## PAUL HARRIS SOCIETY

### DOING GOOD IN THE WORLD

It has been suggested over the years that The Rotary Foundation is *our* charity of choice; it is without doubt the single most contributed too fund by our Rotary Clubs, but is it by the individual Rotarian?

We have many dedicated Rotarians and non Rotarians alike who have signed up and contribute annually as Centurions, giving A\$100 per year and the amount is a significant part of our annual giving program.

Since 1998 a group of overseas Rotarians pledged to contribute US\$1000 annually to The Rotary Foundation and the Trustees of The Rotary Foundation officially approved the Paul Harris Society as a District administered program effective as of 1 July 2006.

Giving by the individual in this manner will have another significant impact on our annual giving program remembering that 50% will come back to the District in three years time as part of our District Designated Funds.

With this annual giving you can meaningfully support our goal of advancing international understanding, goodwill and peace.

Within Australia we can receive tax deductibility with our individual donation being sent through the Australian Rotary Foundation Trust.

I seriously ask you to consider the add-on benefits that can come from such a donation and I invite you to join me in becoming part of the D9810 Paul Harris Society.

Confidentiality will be kept at all times but if you wish to wear the distinctive regalia of a Paul Harris Society member that is for you to decide.

Give so that we can see a little difference in our life time. I can be contacted by telephone or by email as per the District Handbook.
