

Thank you Box Hill, Box Hill Central, Mont Albert & Surrey Hills,
Mitcham & Nunawading Rotary Clubs and the Whitehorse Rotaract Club!

Left: Before our lovely new cupboards were built we had three doorways on the one wall and a very cramped store room.

Right: Now we have one door and a lovely big cupboard for all of our materials and equipment. (& no more unused doors!)

Door to storage room

Lovely big, accessible cupboards and a purpose built bench to hold the bar fridge safely.

Unused door to office

(There is another door that you can't see that is the entrance into the child care room. What a waste of space in the room!)

We really appreciate your help - we couldn't have done this without you!
